HCO POLICY LETTER OF 13 AUGUST 1974R
REVISED 14 AUGUST 1974

OEC "POLICY" CLARIFIED

The illegally set policy on the sale of OEC Volumes contained in SO ED 232R Int and HCO P/L of 5 April 1971 Issue II and HCO P/L of 20 Mar 1971 is cancelled.

These placed extraordinary restriction on orgs purchasing OEC sets and caused orgs to buy only 50 of one volume instead of sets and set the discount for orgs at 40% instead of 50% as is proper.

The OEC Volumes can be bought on the basis that any volume of the set is an item.

Thus 25 items of OEC Volumes would be 3 sets and one additional OEC Volume such as the Management Volume or Volume Zero or any other OEC Volume. 25 of one Volume could also be bought.

Only a total 10% discount may be obtained on OEC Volumes by individual purchasers.

Org staffs should be encouraged to buy their own sets.

These volumes can be purchased by the public.

Any other issue known or unknown which sets "policy" contrary to the above is also cancelled.

ALL NEWLY ISSUED OEC VOLUMES ARE ACCOMPANIED BY THEIR COURSE BOOKLET, ITSELF A VALUABLE AND COSTLY ITEM.
