QUAL STAT CHANGE - A NEW ONE

HCO PL 30 Aug 74R-1, Addition of 15 Oct 1976, clarified that orgs in the field were to use C/S 53RJ, the latest version of the C/S 53 available at that time.

Since C/S 53 now exists in the field as HCOB 24 Nov 73RC, Revised 6 Feb 77, "C/S Series 53RK SF (Short Form) SHORT HI-LO TA ASSESSMENT C/S" the above mentioned HCO PL 30 Aug 74R-1 "QUAL STAT CHANGE - A NEW ONE" is therefore cancelled as no longer necessary.

The original HCO PL 30 Aug 74R "QUAL STAT CHANGE - A NEW ONE" which refers to C/S 53RK on page two paragraph three can now be followed as is and remains in force.
