

BOARD POLICY LETTER

6 DECEMBER 1976

Remimeo

Cancels earlier org board issues
for Div VII.

FOR ALL CLASS IV & SO ORGS

EXECUTIVE DIVISION

ORG BOARD IN FULL

Following is an Executive Division Org Board, revised and updated from earlier issues. The FBO and Guardian Office org boards are given fuller outlines in other issues.

D/EXEC DIRECTOR
DD/EXEC DIRECTOR

"The D/ED (D/CO) for Production in an org is to specialize on debugging and obtaining products in Divisions 7, 1 and 2.

"The DD/ED (DD/CO) for Production in an org is to specialize on debugging and obtaining products in Divisions 3, 4, 5 and 6.

"Nothing in this issue relieves an org of the responsibility of having an HES (Supercargo) and OES (Chief Officer) on post performing their routine OEC duties." -- LRH, LRH ED 285 INT.

Per LRH ED 288 INT, these D/ED posts would also have Org Officers under them, as would the HES and OES of the org.

LRH COMM AND KOT

DIVISION OF DUTIES

The LRH Comm of the org is responsible to see that LRH's orders, issues and programs are complied with and sees that the Policies regarding Ethics and Admin of the org are known and followed to the letter. The LRH Comm has the responsibility as well to see that cross-orders to LRH's orders, EDs and PLs are knocked out and at once reported to Network seniors.

The KOT of the org is primarily responsible to see that Tech and Policy are established in the org and does this by seeing to the PLs and HCOBs on delivery (Tech) to both public and staff. The LRH Comm and KOT both have full power to cancel off-Policy and out-Tech orders and actions and to correct with cramming and ethics anyone found violating Policy or remaining ignorant of it.

It is imperative that every member of Division VII have a full understanding of this org board, its functions, and their CEC duties. Full application of it and of Policy as contained in OEC Volumes will result in an Exec Div that produces its product of a Viable, Productive, and Expanding Organization.
