Saint Hill Manor, East Grinstead, Sussex

HCO POLICY LETTER OF 6 DECEMBER 1976

Remimeo (Also HCOB 6 Dec 76)

All Registrars
All Case Supervisors
All Ds of P
All Auditors
GO

ILLEGAL PCS, ACCEPTANCE OF

HIGH CRIME P/L

It shall be a Committee of Evidence offense for a Case Supervisor or Auditor to C/S or accept for processing and process any pc:

1. Who is terminally (fatally) ill, regardless of what the org or Registrars may have promised or asserted. Such diseases as advanced cancer are included.
2. Who has an extensive institutional history which includes heavy drugs, shocks of various kinds and/or so-called psychiatric brain operations.
3. Who has been denied processing by the Guardian Office for reason of past history or connections or current state as it may affect the safety and security of the org.

It shall also be a Committee of Evidence offense for any ED/CO, Org Exec Sec, Technical Secretary, Director of Processing or other executive or staff member to bring pressure or persuasion upon any Case Supervisor or Auditor to process such persons.

It is not that such cases cannot in many instances be handled. It is that neither Scientology nor the org, but doctors and psychiatrists, have brought about the condition and such conditions are outside the zone of responsibility of the org.

Registering such pcs is already illegal, but where it has occurred intentionally or accidentally, no one has the right to force such persons upon Case Supervisors or Auditors for any reason.

Any promise made by an org to such a person or his relatives is not binding upon an organization or its staff and such promises are also a Comm Ev offense.

Special Petition may be made by the person concerned to the Guardian Office, the representatives of which may act to correct injustices or erroneous use of this Policy Letter. But the Guardian Office itself does not have the right to persuade or insist that Case Supervisors or Auditors accept the person for processing unless it is very clearly demonstrated that the person does not fall under any of the above three categories.

Doctors are too often careless and incompetent, psychiatrists are simply outright murderers. The solution is not to pick up their pieces for them but to demand medical doctors become competent and to abolish psychiatry and psychiatrists as well as psychologists and other infamous Nazi criminal outgrowths. Society and police agencies should deal with such offenses. It is not up to Scientologists to salvage the wreckage created by these professions, but to prevent it from happening in the first place by reforming a degraded society.

Until such time as doctors have become fully competent and psychiatry and psychology have been recognized for what they are and abolished, Case Supervisors and Auditors are actionable for surrendering their rights and handling such. It is not that they cannot. They must not.
