DIANETIC COUNSELLING GROUPS AND FIELD AUDITORS

10% REMITTANCES TO WW

It is hereby firm policy that all Dianetic Counselling Groups and Field Auditors who also run a group or have meetings of peoples for other than study, or who run co-audits, must pay 10% to Worldwide.

This means 10% of Gross Income less FSM Commissions, Refunds/Repayments and Books/Meters.

This does not include Dianetic Study Groups so long as the Study Group simply does programs furnished them by their local org, but it does not permit the Study Group to train or process.

If a Dianetic Study Group engages in processing or training for fee it then becomes a Dianetic Counselling Group and must pay 10% of its income to WW.
