FSM I/C POSTINGS

An FSM I/C (Field Staff Member In Charge) must be appointed at Flag, in each FOLO and in all orgs.

Until such appointments are made, the Distribution Exec Manager of the FOLO is responsible for handling the functions of the FSM I/C Continental and is responsible for seeing that this post is competently filled.

Where there is no Distribution Exec Manager in a FOLO, this function becomes the direct responsibility of the Continental Assistant CS-6 who must actually grab the hat of Continental FSM I/C until such time as this post is filled.

The Distribution Secretary of an org is responsible for handling the duties of the FSM I/C for his org and must also get this post filled.

These posts are vital to the expansion of Scientology and must not be neglected.
