QUALITIES AT THE TOP

Flag Reps have to be able to OBSERVE.

Est Os have to be able to train, hat groove in
and make functioning people.

Command types have to be able to SUPERVISE and
handle Ethics.

Product Officers have to be able to PRODUCE
using the org to do it.

These are the basic skills on which we are con-
centrating.

Each one requires its own personal approach.

The person who can do all four splendidly is
rare. But many can do one or two of these very well.
