CELEBRITY CENTRE MAGAZINE

"CELEBRITY"

(Taken from Founder Advices  
of 17 Jul 70, 12 Dec 70.)

There are a number of things which should be taken into account when putting together an edition of CELEBRITY Magazine.

CELEBRITY should feature names.

It should use the poem THE MUSIC MAKERS - "We are the music makers - the dreamers of dreams - We are the makers and shakers of the world forever it seems...." This poem describes what Celebrity Centre does. It takes care of those who entertain, fashion and take care of the world. A continual reprint of this on the inside cover with "We take care of the Celebrities of the world" sort of motif will get CC on the arrow express of high purpose.

CC's promo should hit hard on the specialty of the org which is "Training and auditing celebrities so that they can handle their careers."

The CELEBRITY motif should exactly fit CC's aims.
